# MEET THE TEAM.

We hope you have all had a brilliant summer and we can't wait to work with you and your students again in 2019/20!

Book a meeting with the school liaison team and we can help plan exciting events and activities for your students. We can also come to your schools for **assemblies** and **careers fairs** - just let us know the date and we'll be there!

You can also speak to the team about booking **curriculum experience sessions** for all FE and A level courses and come along to our campuses for **tours** of our amazing facilities!

To arrange bookings for a meeting or an event, please email [transitionteam@leedscitycollege.ac.uk](mailto:transitionteam@leedscitycollege.ac.uk).

We can help you meet the Gatsby benchmarks [click here](#).

---

We can send you information about student applications to Leeds City College and support you with intended destinations.

Due to new GDPR guidelines, we just need you to sign a progression data agreement and then we can make all the arrangements!

When contacting Leeds City College via phone with regards to information about students, a **password** is needed. To find out the new password for 2019/20 please contact your school liaison officer, or email [transitionteam@leedscitycollege.ac.uk](mailto:transitionteam@leedscitycollege.ac.uk) to find it out!

**Don't forget...**

**Student applications!**

Please make your students aware that when applying they should use their personal email accounts, not their school email accounts. We regularly send emails relating to applications after exams by which time students will no longer have access to their school email accounts. Applications for 2020/21 will be open **October 1st!**
