

**This weeks Recreate is by artist Senga Nengudi, who was part of the avant-garde scenes of Los Angeles and New York in the 1960s and 1970s. In her work Nengudi radically experiments with material and form and is best know for her 'R.S.V.P' series which represents the body using tights to create abstract sculpture. Many artists have since explored the use of tights for their accessibility and relationship to the body.**
