PROFESSIONAL COOKERY

Here are some videos showing the journey individuals take in order to start a successful career in catering. One video features Marco Pierre White, a former college student and local Leeds lad, who talks about his journey to success. These are all inspiring stories, which can spark ambition in any prospective chef.

Here are some opportunities to look in some of the best restaurants in the world. Lots of inspiration to be had here. The beauty of catering is it doesn't matter who you are, where you're from or what happened leading up to your catering career - anyone can make it! Often the best chefs come from the most humble beginnings.
