

Is gambling a big deal for young people?

- » 14% young people in the Great Britain spend their own money on some form of gambling each week (IPSOS Mori 2018).
- » The financial, social and mental health impacts of gambling are a major area of safeguarding concern for young people.

What can we do about it?

- » GamCare offers **FREE, one-hour interactive awareness workshops** for young people aged 11-19, delivered by our BigDeal Youth Outreach Team.
- » Workshops are ideal for school lessons and youth club sessions.

What do our workshops offer?

- » Young people will gain the awareness, knowledge and skills to make safer choices around gambling.
- » Young people will understand the impact of problem gambling, and recognise the signs of problem gambling in themselves or someone else.
- » Young people know where and how to access help if they need it.
