1. POLICY STATEMENT

The aim of the policy is to:

- Ensure that procedures are explicit and applied fairly and consistently;
- Ensure that information and guidance provided for students is accurate;
- Ensure that the decision-making process and outcomes are transparent and demonstrably rigorous and fair.
- Ensure that outcomes are monitored and reviewed on an annual basis;

2. POLICY AIMS/OBJECTIVES

This policy applies to higher education students who are studying on full-time awards at Leeds City College.

Its purpose is to ensure that students are aware of the bursary and how it's administered.

Leeds City College provides bursaries to those students who have been assessed by Student Finance England (SFE) as being eligible for means tested support towards their maintenance costs. The bursary is only provided to students on full time courses.

Eligibility for a bursary is dependent on a student's household income however bursaries are then only awarded to students who are up to date with their work and meeting the college's attendance requirements. The bursaries do not apply to EU students who are eligible for the tuition fee loan only, or International students.

Bursary Rates	<p>The amount of bursary that a student may be eligible for is determined by their household income, and is banded as below, dependant on the students' year of entry to the programme. For details on the bandings please consult the website. Assessments	<p>The Student Loans Company will assess all students' financial eligibility. Students do not need to apply directly to LCC but do need to:</p> <ul style="list-style-type: none"> • Apply to SFE for means testing and student support each academic year. • Give consent for the SLC to share their household income information each academic year <p>Without this assessment, Bursary will not be awarded.</p>		
Bursary Panel	<p>The Bursary Panel meets to discuss individual student's attendance and whether students are up-to-date with their work. The Bursary Panel meets on three separate occasions throughout the year. The first two coincide with bursary payments being made, with a further panel in June to consider any applications that have been delays in SFE processing.</p> <p>Students whose assessments have not been completed by SFE prior to a Bursary Panel will be considered at the next Bursary Panel.</p> <p>The panel has the final say on bursary payments being made. The panel considers the following before making their decision:</p> <ul style="list-style-type: none"> • Students are meeting the minimum attendance requirement of 80% and are up-to-date with work for the specified time period 		
Notification	Students receive the following notifications regarding the bursary:

Please note this only confirms their eligibility, not whether they have been awarded the bursary. • Following on from the bursary panel, students are contacted if they are not going to receive an instalment of the bursary 	
Staff Development and Training	All staff associated with the support, guidance and administration of bursaries will be given appropriate training and development and meet the requirements of the awarding body and where appropriate, the Quality Assurance Agency Code of practice.	
Equality and Diversity Statement	This policy will be implemented in accordance with the College's Policy on Valuing Diversity and with consideration of the QAA Quality Code
